

# 2017 RECYCLING NEWSLETTER

Congratulations to the residents of the City of St. Francis, you beat your Recycling Goal for 2016! Together we recycled 754 tons of material, beating the goal of 701 tons we had set at the beginning of the year! This was achieved by the residents of St. Francis recycling from their individual residences' and at the City's recycling events. The 2017 Recycling Goal is set at 727 tons. Keep up the good work and keep an eye out for more St. Francis' Recycling Events! For more information or general recycling questions, call St. Francis Public Works at 763-233-5200.

## St. Francis Spring Recycling Day is April 29th, 8a.m. - 2p.m.

More information on St. Francis Spring Recycling Day on page 3.

The City of St. Francis is once again partnering with **LePage & Sons** for three recycling events this year.
